

Birthday Party Information Pack

Here at Story Sense, we know that every birthday is an important birthday and you will want to celebrate in style. That is why we provide tailored made birthday parties to make your little one's special day memorable.

We offer three packages for you to choose from. All of these are adaptable for the age of the child and your own requirements. All of the parties will last approximately 2 hours (3 and half hours with set up and clean up) and will take place at a venue of your choice.

We will run parties both indoors and outdoors.

Included as standard with all of the packages:

- Bubbles
- Music
- Ball pool pit
- Tent and tunnel
- Age appropriate toys

Optional Extras

- 2 party games with prizes provided
- Invitations
- Party bags with 3 sensory items in each

Package 1: Standard Story Sense Experience (Max. 15 children)

Prices starting from £100

Birthday Story Sense experience - a birthday story tailored to your little one, interspersed with a range of sensory activities. This would last approximately 40 minutes. At the back of the room, there would be 3 or 4 (depending on space) tuff trays which would include: books and puzzles, musical instruments, trucks, cars and a play mat and a fine motor skills activity.

The children will have access to the toys and activities at the back throughout their time at the party. For older children's parties, there will be a range of activities and games to enjoy instead of toys.

Package 2: Messy Experience (Max. 15 children)

Prices starting from £130

Birthday story with messy activities - a birthday story tailored to your little one, interspersed with a range of messy sensory activities. This would last approximately 40 minutes. At the back of the room, there would be 3 or 4 (depending on space) tuff trays which would include messy activities of your choice. You would have a list of options to choose from.

The children will have access to the toys and activities at the back throughout their time at the party. For older children's parties, there will be a range of activities and games to enjoy instead of toys.

Package 3: Bespoke Experience (Max. 15 children)

Prices starting from £150

This package would be designed with you to suit a theme of your choice. The story and the activities would then be designed to match your requirements. This can include messy activities or non-messy activities but the price would vary accordingly. This would last approximately 40 minutes. At the back of the room, there would be 3 or 4 (depending on space) tuff trays which would include activities of your choice (messy or non-messy available). You would have a list of options to choose from.

The children will have access to the toys and activities at the back throughout their time at the party. For older children's parties, there will be a range of activities and games to enjoy instead of toys.
